

Brian Foster, MD, - Curriculum Vitae
941-792-2020 or Toll Free 1-866-865-2020

Education

Fellowship - Cornea/External Disease

Eye Consultants of Atlanta
Atlanta, GA

Residency - Ophthalmology

Wake Forest University Eye Center
Winston-Salem, NC

Internship

Emory University School of Medicine
Atlanta, GA

Doctorate of Medicine

Emory University School of Medicine
Atlanta, GA

Honors and Awards

Resident Excellence Award - ASCRS
Best Poster Award - American Academy of Ophthalmology
Joseph B. Whitehead Surgery Scholarship
Phi Beta Kappa - University of Florida, President's Honor Roll

Certifications & Licensure

Diplomate of the American Board of Ophthalmology
Florida Board Certified

Professional Associations

American Academy of Ophthalmology
American Society of Cataract and Refractive Surgery (ASCRS)
Manatee County Medical Society
The Cornea Society

Community Service

Dr. Foster has spoken at numerous community organizations and care facilities in Sarasota, Bradenton, El-lenton, and Sun City
Board Member Oasis Church, Lakewood Ranch, FL
Mobile Medical Mission, St. Vincent Island, 2012
Project Echo, Honduran Cataract Mission 2011

Publications

- Book Chapter: Ocular surface disease: Cornea, Conjunctiva, and Tear Film, Elsevier 2013
- Paper: "Small Incision DSAEK: A Comparison of a Small Incision Tissue Injector and Forcep Technique." Foster JB, Swan KR, Vasana RA, Greven MA, Walter KA. Cornea. 2011 Nov 10. [Epub ahead of print].
- Paper: "Diagnostic and therapeutic challenges." Bowen BE, Manning RA, Foster JB, Kurup SK, Ramaiya KJ, Shah GK. Retina. 2011 Oct;31(9):1967-71.
- Paper: "Interface Fungal Keratitis After Endothelial Keratoplasty: A Clinicopathological Report." Lee WB, Foster JB, Kozarsky AM, Zhang Q, Grossniklaus HE, Accepted, Ophthalmic Surgery, Lasers, and Imaging 2011.
- Paper: "Small Incision DSAEK: A Comparison of a Small Incision Tissue Injector and Forcep Technique." Foster JB, Swan KR, Vasana RA, Greven MA, Walter KA. Accepted, Cornea 2011.
- Paper: "Small incision Descemet's Stripping Endothelial Keratoplasty Utilizing Sodium Hyaluronate (Healon®), A Survey of 105 Eyes." Foster JB, Vasana R, Walter K, Cornea. 2011 Feb;30(2):150-3.
- Paper: "Innovation in Endothelial Keratoplasty: Early results from a no-fold, small-incision, DSAEK graft injector." Walter K, Foster JB. Cataract and Refractive Surgery Today Cover Story, September 2009.
- Article: "DSAEK allograft delivery system enables fold-free small-incision technique." Ocular Surgery News, March 2010.
- Paper: "Intraocular Lens Power Calculations after Refractive Surgery: The Consensus K Technique." Randleman JB, Foster JB, Loupe DN, Song CD, Stulting RD. J Cataract Refract Surg. 2007 Nov; 33(11):1892-8
- Paper Presentation: DSAEK Interface Complications, AAO 2010.
- Paper Presentation: Reduced Air Bubble Time in DSAEK, ASCRS 2010.
- Paper Presentation: Results with No-Fold Small-Incision DSAEK Graft Injector, ASCRS 2010.
- Paper Presentation: "A Retrospective Case Series Analysis of a DSEK technique utilizing Sodium Hyaluronate." ASCRS 2009
- Video Presentation: "DSAEK Evolution: Atraumatic 4 mm Incision Donor Insertion." AAO 2009.
- Video Presentation: The Endosaver: A Novel Method for Donor Graft Insertion During DSAEK." European Society Of Cataract and Refractive Surgeons, Barcelona, 2009.
- Poster: DSAEK Evolution: Comparison of Small-Incision Injector and Tri-Fold Forceps Insertion Technique, ASCRS 2010.
- Poster: "IOL Power Calculations After LASIK: The Consensus K Method" Best Poster Award, AAO 2006.
- Poster: "Refractive Outcomes After Various Refractive Surgeries And Subsequent Phaco-IOL Implantation, 2006 ARVO Annual Meeting

Brian Foster, MD - Curriculum Vitae, page 3

Presentations

- Management of Ocular Surface Squamous Neoplasia, Southeast Cornea Conference, Kiawah, SC 2010
- Small Incision DSAEK, Wake Forest University Annual Meeting, 2010
- Primary Care Ophthalmology. Lecture to Internal Medicine Residents, 2009
- "Small incision Descemet's Stripping Endothelial Keratoplasty Utilizing Sodium Hyaluronate (Healon®), A Survey of 105 Eyes"; Wake Forest Eye Center Annual Meeting, 2009
- Management of LASIK Flap Complications, Southeastern Cornea Conference, 2008
- 8-Ball Hyphema After Laser Peripheral Iridotomy, Tri-Residency Glaucoma Conference, 2007
- Presentations to Wake Forest University Eye Center: 2007-2010
- Managing Traumatic Aphakia with Iris Defects, surgical options
- Managing Astigmatism in Cataract Surgery: Pearls from AAO 2009
- A Modified Gunderson Flap for Ocular Surface Reconstruction
- DSEK Graft Rejection: Diagnosis and Management
- Diagnosis and Treatment of Fungal Keratitis
- Indications and Complications of Penetrating Keratoplasty
- Anterior Segment Manifestations of Patau Syndrome
- A problem case: Iridodialysis, anisometropia, and cataract
- Diagnosis and Surgical Management of Orbital Blowout Fractures
- Optic Nerve Head Pit with Concomitant Retinal Effusion
- Diagnosis and Management of Traumatic Choroidal Rupture
- Chiasmopathy due to Neurosarcoidosis
- Management of Silicon Oil Infiltration of Trabeculectomy
- Pathophysiology of Intraretinal Hemorrhages in Shaken Baby Syndrome
- Differential Diagnosis and Management of Lacrimal Gland Enlargement
- IBD and Intermediate Uveitis
- Pediatric Grand Rounds: Bilateral Serous Retinal Detachment from Non-accidental Trauma
- Diagnosis and Management of Pseudotumor Cerebri
- Clinical appearance and Natural history of Autosomal Dominant Optic Atrophy
- Neuro Grand Rounds: Strategies for Management of Unexplained Vision Loss
- Diagnosis and Management of Retinal Artery Occlusions
- Diagnosis and Surgical Management of Epiphora
- Acute Intermediate Uveitis, Side Effect Profile of Methotrexate
- Diagnosis and Treatment of Ocular Toxoplasmosis
