

Joshua Mali, MD - Curriculum Vitae
941-792-2020 or Toll Free 1-866-865-2020

Education

Fellowship - Vitreo-Retinal Surgery and Uveitis

Albany Medical College/Retina Consultants,
Albany, NY

Residency - Ophthalmology

Albany Medical College
Albany, NY

Internship

West Virginia University School of Medicine
Morgantown, WV

Doctorate of Medicine

West Virginia University School of Medicine
Charleston, WV

Bachelor of Arts in Biology

West Virginia University
Morgantown, WV

Honors, Awards & Achievements

Dr. Mali was one of the first Retina Specialists to inject Iluvien for diabetic macular edema in the USA.
Medical Director, Macular Degeneration Association (MDA)
Former Chief Resident & Assistant Professor of Ophthalmology, Albany Medical College Department of Ophthalmology
Summa Cum Laude, Bachelor of Arts in Biology, West Virginia University
2018 Outstanding Alumnus of the West Virginia University Department of Biology

Publications

Research publications in JAMA Ophthalmology, Ophthalmology Times, Ocular Surgery News, and Retina Today

Licensure & Certifications

State Board License: Florida

Joshua Mali, MD - Curriculum Vitae, page 2

Affiliations & Memberships

American Academy of Ophthalmology (AAO)
American Society of Retina Specialists (ASRS)
Florida Medical Association (FMA)
American Society of Cataract and Refractive Surgery (ASCRS)
Florida Society of Ophthalmology (FSO)
Baha'i Inspired Health for Humanity
Tampa Bay Ophthalmological Society
Sarasota Medical Society
Manatee Medical Society

Community Involvement

Medical Ministry International Project - Mexico - Ophthalmic Surgeon
Georgia Lions Camp for the Blind
Camp Abilities at Lions Camp - Merrick/Columbia Lighthouse for the Blind
Remote Area Medical (RAM) (Bradenton, FL) – Volunteer Ophthalmologist
Albany Telugu Association Eye Screening and Medical Camp
NASA sponsored WVU Robotics Team Mentor/Preceptor for Morgantown High School
Health for Humanity - Nicaragua

Complete List of Dr. Mali's Articles/Clinical Research

RESEARCH/PRESENTATIONS

- Lead Principal Investigator (PI) for Phase 3 Study with Allergan
- Protocol Number: 150998-006 (SEQUOIA): Safety and Efficacy of Abicipar Pegol (AGN-150998) in Patients with Neovascular Age-related Macular Degeneration.
- Lead Principal Investigator (PI) for Phase 3 Study with Regeneron
- Protocol Number: VGFTe-OD-1411 (PANORAMA): Efficacy and Safety of Intravitreal (IVT) Aflibercept for the Improvement of Moderately Severe to Severe Nonproliferative Diabetic Retinopathy (NPDR).
- Lead Principal Investigator (PI) for Phase 3 Study with Chengdu Kanghong Biotechnology
- Protocol Number: KHB-1801: A Multicenter, Double-Masked, Randomized, Dose-Ranging Trial to Evaluate the Efficacy and Safety of Conbercept Intravitreal Injection in Subjects with Neovascular Age-related Macular Degeneration.
- Lead Principal Investigator (PI) for Phase 3 Study with Santen
- Protocol Number: 010906IN: A Phase III, Multicenter, Sham-Controlled, Randomized, Double-Masked Study Assessing the Efficacy and Safety of Intravitreal Injections of 440 ug DE-109 for the Treatment of Active, Non-infectious Uveitis of the Posterior Segment of the Eye.
